

Dear colleagues and friends of Bishop Grech,

It is with deep sadness and solidarity of faith that all of us at Saint Mary's Press in the USA have received the news of Bishop Grech's passing. I had the good pleasure of meeting Bishop Grech at your country's first national conference on Catholic youth ministry in September. I was touched and inspired by his clear faith and zeal for the Good News of Jesus Christ, especially in communicating the love of Christ to the hearts of the young.

As a simple token of our remembrance and celebration of Bishop Grech's ministry, Saint Mary's Press will make a financial contribution to the Br. Alphonsus Pluth Scholarship Fund at our local Catholic university in his memory. This fund provides university level scholarships for young men and women who are pursuing university studies in religious education and pastoral ministry.

May your hearts be warmed by the hope we place in the resurrection.

Saint John Baptist De LaSalle. Pray for us.

Live, Jesus, in our hearts. Forever!

John M. Vitek
