

To the bereaved loved ones and to all those who are mourning over the death of our beloved Bishop Joseph Angelo Grech,

We received the shocking news of the unexpected death of our Bishop, dear to you and to us even if we had met him thrice. His fatherly concern for our Poor Clares will be remembered in our thoughts, in our hearts, in our prayers. And we know that even if he is no longer with us physically, he continues to be with us, and we with Him by His intercession. Though grieving, that is our consolation.

Heartfelt condolence
