

Monsignor Marriott,

It was with sadness that we heard the news of Bishop Joe Grech's death. On behalf of Jose Zepeda, our International Coordinator and myself we wish to offer our prayerful sympathy at this time.

We both knew and worked with Bishop Grech when we were with the Centre for Multicultural Pastoral Care in the Brisbane Archdiocese and Bishop Grech was one of the bishops representing the ACBC in this ministry. Over the past years we have watched with interest and delight as his knowledge of and passion for this ministry grew. His concern for the disadvantaged and vulnerable was obvious and he will be sadly missed.

Our thoughts will be with the people of Sandhurst Diocese as you celebrate Bishop Grech's life on Thursday at his funeral Mass.

Sincerely,

Mary Gavin
