

I received the sorrowful news that the Lord has called to himself His Excellency, Most Reverend Joseph Grech, Bishop of Sandhurst.

I would like to offer to you and to all the Members of the Church of Sandhurst my profound condolences, assuring you of my union in prayer with all who are mourning their Father and Pastor.

I ask the Lord to obtain that his example may be of comfort to the hearts of his faithful.

I would like further to express the wish that the Lord may accompany the Church's action in this period of transition.

I included him in my Mass this morning.

Most sincerely,
Archbishop Jesus Dosado, C.M.
