CATHOLIC DIOCESE OF SANDHURST
**STRATEGIC MISSION
AND PASTORAL GOALS**

2024-2028

GO, THEREFORE, MAKE

DISCIPLES OF ALL NATIONS.

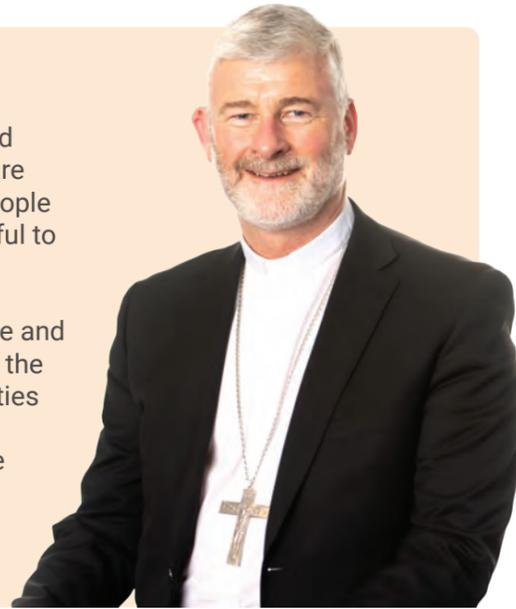

– MATTHEW 28:19

Message from the Bishop of Sandhurst

It is my great pleasure to promulgate the Strategic Mission and Pastoral Goals (2024-2028) for the Sandhurst Diocese. They are the fruit of deep listening, dialogue and discernment by the people of God in our Diocese over the past few years. I am very grateful to all who have contributed to their development.

The Strategic Mission and Pastoral Goals will guide, encourage and inform our missionary and pastoral initiatives and activities at the Chancery, in parishes, schools and other movements and entities throughout the Diocese for the next five years. The Sandhurst Mission and Pastoral Council will monitor, review and evaluate progress towards the goals.

Most Rev Shane Mackinlay DD PhD
